Addendum #1- Questions and Answers—**It is mandatory that you acknowledge this addendum in your bid submittal.**

Q.1. Please look at the bottom of page 4. The invite calls out section 410 of the standard specifications for the bidders to refer to required specifications. It also states that Albuquerque Reprographics can get a copy upon request. I reached out to ARI and they did not know what this was. Can you give me better specifications or drawings to bid this?

A.1. The specifications are now posted to our website under this procurement posting. They are labeled [Section 410-Standard Specs](#). Also posted is a document labeled [Gate and Fence Details](#), which contains a diagram.
