

SOUTHERN SANDOVAL COUNTY ARROYO FLOOD CONTROL AUTHORITY
Resolution 1992-8
GREENBELT CONCEPT

WHEREAS, Southern Sandoval County Arroyo Flood Control Authority (SSCAFCA) met in regular session at 4020 Peggy Rd. S.E., Suite E, Rio Rancho, New Mexico on April 21, 1992 at 1:00 p.m. as per law; and

WHEREAS, SSCAFCA adopted a Greenbelt Policy on November 15, 1990 when it approved its Comprehensive Preliminary Needs Assessment and General Flood Control Program for Southern Sandoval County; and

WHEREAS, SSCAFCA further defined its policy on a Greenbelt Concept in its board meeting of March 17, 1992; and

WHEREAS, SSCAFCA wishes to further define this policy in a formal resolution;

NOW THEREFORE, BE IT RESOLVED by SSCAFCA that:

1. Goal Number 2 as set forth in its Comprehensive Preliminary Needs Assessment and General Flood Control Program for Southern Sandoval County shall continue to be an important goal and strategy of SSCAFCA.

2. Multi use park-like facilities, which includes parks, recreation facilities, golf courses, tennis courts, lakes, biking trails, etc. will be developed with cooperating entities, where possible, to assist in preventative flood control.

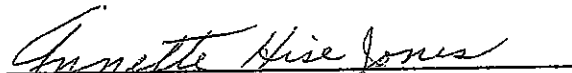

Passed by SSCAFCA this 21st day of April, 1992.
